DIRECTOR'S NOTE

It has truly been an honor to work with such an extraordinary group of high school performers on Bright Star: School Edition. Their dedication, vulnerability, and willingness to tell this story with open hearts has made every rehearsal meaningful. Watching these young artists grow, both individually and as an ensemble—has been one of the greatest joys of this process.

Bright Star is a powerful story about love, resilience, and the moments that shape who we become. Set against the rich backdrop of bluegrass music, it reminds us that even in our darkest chapters, hope and redemption are always possible.

This story asks us to believe in second chances and the strength it takes to face the truth—and our students rose to that challenge beautifully.

I am incredibly grateful to our production team for bringing this show to life. Your creativity, commitment, and countless behind-the-scenes hours turned a vision into a reality. Thank you for supporting our cast and for believing in the power of this story.

Thank you for joining us and supporting live theatre. We are so proud to share Bright Star with you.

At Backstage Performing Arts Utah, being part of one of our companies means more than just taking classes, it means stepping into a community of young performers who are committed to growth, teamwork, and the joy of musical theatre. From our RISE Company for 1st-3rd graders, to ASPIRE (4th-6th), IGNITE (7th-9th) and ELITE (10th-12th), each group offers age-appropriate training in dance, voice and acting, along with extra performance opportunities, travel and outreach experiences. Members represent the studio as ambassadors, gain confidence and technique, and prepare for their next chapter, whether that's more advanced performance or simply embracing the stage. Auditions are held each May for the coming year's companies.
